The luxury marble is limited edition stone displaying a chaotic web of white against the jet black backdrop. The product bears CMC's signature 'Process 360' for enhanced strength, durability and beauty. The marble slab has one of the most intriguing nature's designs suited for a modern surface design. The Grand Antique, with its contrasting black and white, is one of the most versatile marble in its range. Whether in the bath or in the guest room, the stone is relaxing and stimulating to the senses.
